ABOUT ME

I am a dedicated and dynamic professional with a proven track record in project management and data analysis. Prior to my tenure at PT. ANIMO in September 2018, I successfully managed several private IT projects for the government. At PT. ANIMO RESTO PRIMERA, I excelled as a Support Developer and Data Analyst, further honing my technical and analytical skills. My career progression led me to PT. AMANAH UMROH HANDAL, where I took on the multifaceted roles of Data Analyst, Project Manager, and occasionally assisted with the QA process. My disciplined work ethic and insatiable curiosity for new challenges enable me to excel in both team environments and individual assignments.
